The Directors are seeking granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

3. FUNDING OF REPURCHASES

Any repurchases will only be funded out of funds of the Company legally available for the purpose of making the proposed Repurchase Mandate in accordance with the Existing Memorandum and Articles and the applicable laws of the Cayman Islands.

The Company is empowered by the Existing Memorandum and Articles to repurchase its Shares. Under the laws of the Cayman Islands, the capital portion payable on a share repurchase by the Company may be paid out of the profits of the Company or out of the proceeds of a fresh

APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

issue of shares made for the purpose of the share repurchase or, subject to the Companies Law, out of capital and, in the case of any premium payable on a share repurchase, such premium may be paid out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, subject to the Companies Law, out of capital.

4. EFFECT OF EXERCISING THE REPURCHASE MANDATE

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the latest published audited accounts contained in the annual report of the Company for the year ended 31 December 2022 in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. DISCLOSURE OF INTERESTS

None of the Directors and, to the best of their knowledge having made all reasonable enquiries, none of their respective associates, have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

6. DIRECTOR'S UNDERTAKING

The Directors have undertaken to the Stock Exchange to exercise the Repurchase Mandate in accordance with the Listing Rules and applicable laws of the Cayman Islands, and in accordance with the regulations set out in the memorandum and articles of association of the Company.

7. TAKEOVERS CODE CONSEQUENCE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all Shares not already owned by such Shareholder or group of Shareholders.

APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

As at the Latest Practicable Date, the following Shareholders are interested in more than 5 per cent of the Shares in issue:

Name	Number of Shares	Percentage Holding
Laos International Holdings Limited (<i>Note</i>)	255,000,000	42.50%
WHM Holdings Limited (<i>Note</i>)	135,000,000	22.50%
Ip Kin Wa	60,000,000	10.00%

Notes: 255,000,000 Shares were beneficially owned by Laos International Holdings Limited (“**Laos International**”) which is wholly-owned by Mr. Lao Chio Seng (“**Mr. Lao**”). Ms. Wong Hio Mei (“**Mrs. Lao**”), spouse of Mr. Lao, wholly owns WHM Holdings Limited (“**WHM Holdings**”) which beneficially owns 135,000,000 Shares.

In the event that the Directors exercise in full the power to repurchase Shares in accordance with the Repurchase Mandate, the total interests of the above Shareholders in the Shares would be increased to:

Name	Percentage Holding
Laos International	47.22%
WHM Holdings	25.00%
Ip Kin Wa	11.11%

To the best knowledge of the Directors, such increases would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code but would result in the public shareholding in the Company to be less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange). The Directors would not exercise the Repurchase Mandate to such an extent as may result in public shareholding of the Company to fall below 25%. The Directors are also not aware of any consequence which would arise under the Takeovers Code as a consequence of any share repurchase pursuant to the Repurchase Mandate and have no present intention to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such an extent as to result in takeover obligations.

8. SHARE REPURCHASES MADE BY THE COMPANY

No repurchase of Shares has been made by the Company during the last six months immediately preceding the Latest Practicable Date (whether on the Stock Exchange or otherwise).

9. CONNECTED PERSON

No connected person has notified the Company that he/she has a present intention to sell Shares to the Company, or has undertaken not to do so in the event that the Company is authorised to make repurchase of Shares when the granting of the Repurchase Mandate is approved by the Shareholders.

10. MARKET PRICES OF SHARES

The highest and lowest prices at which the Shares were traded on Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

	Share Prices	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2022		
April	0.330	0.250
May	0.310	0.255
June	0.305	0.275
July	0.280	0.255
August	0.285	0.247
September	0.290	0.219
October	0.255	0.203

2023		
January	0.300	0.270
February	0.280	0.260
March	0.280	0.217
April (up to the Latest Practicable Date)	0.235	0.220

- 8 Any new Shares shall be issued upon such terms and conditions and with such rights, privileges or restrictions attached thereto as the general meeting resolving upon the creation thereof shall direct, and if no direction be given, subject to the provisions of the Companies ~~Law~~Act and of these Articles, as the Board shall determine; and in particular such Shares may be issued with a preferential or qualified right to participate in Dividends and in the distribution of assets of the Company and with a special right or without any right of voting.
- 9 The Board may, before the issue of any new Shares, determine that the same, or any of them, shall be offered in the first instance, and either at par or at a premium, to all the existing holders of any class of Shares in proportion as nearly as may be to the number of Shares of such class held by them respectively, or make any other provisions as to the allotment and issue such Shares, but in default of any such determination or so far as the same shall not extend, such Shares may be dealt with as if they formed part of the capital of the Company existing prior to the issue of the same.
- 10 Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new Shares shall be treated as if it formed part of the original capital of the Company and such Shares shall be subject to the provisions contained in these Articles with reference to the payment of calls and instalments, transfer and transmission, forfeiture, lien, cancellation, surrender, voting and otherwise.
- 11 (a) All unissued Shares and other securities of the Company shall be at the disposal of the Board and it may offer, allot (with or without conferring a right of renunciation), grant options over or otherwise dispose of them to such persons, at such times, for such consideration and generally on such terms (subject to Article 9) as it in its absolute discretion thinks fit, but so that no Shares shall be issued at a discount. The Board shall, as regards any offer or allotment of Shares, comply with the provisions of the Companies ~~Law~~Act, if and so far as such provisions may be applicable thereto.
- (b) Neither the Company nor the Board shall be obliged, when making or granting any allotment of, offer of, option over or disposal of Shares or other securities of the Company, to make, or make available, and may resolve not to make, or make available,

any such allotment, offer, option or Shares or other securities to Shareholders or others with registered addresses in any jurisdiction outside of the Relevant Territory, or in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable, or the existence or extent of the requirement for such registration statement or special formalities might be expensive (whether in absolute terms or in relation to the rights of the Shareholder(s) who may be affected) or time consuming to determine. The Board shall be entitled to make such arrangements to deal with fractional entitlements arising on an offer of any unissued Shares or other securities as it thinks fit, including the aggregation and the sale thereof for the benefit of the Company. Shareholders who may be affected as a result of any of the matters referred to in this paragraph (b) shall not be, and shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

- 12 (a) The Company may at any time pay commission to any person for subscribing or agreeing to subscribe (whether absolutely or conditionally) for any Shares or procuring or agreeing to procure subscriptions (whether absolute or conditional) for any Shares, but so that the conditions and requirements of the Companies Law Act shall be observed and complied with, and in each case the commission shall not exceed 10% of the price at which the Shares are issued.
- (b) If any Shares are issued for the purpose of raising money to defray the expenses of the construction of any works or buildings or the provision of any plant which cannot be made profitable within a period of one year, the Company may pay interest on so much of that share capital as is for the time being paid up for the period and, subject to any conditions and restrictions mentioned in the Companies Law Act, may charge the sum so paid by way of interest to capital as part of the cost of construction of the works or buildings, or the provisions of the plant.
- 13 The Company may from time to time by Ordinary Resolution:
- (a) increase its share capital as provided by Article 7;
- (b) consolidate or divide all or any of its share capital into Shares of larger or smaller amount than its existing Shares; and on any consolidation of fully paid Shares into Shares of larger amount, the Board may settle any difficulty which may arise as it thinks expedient and in particular (but without prejudice to the generality of the foregoing) may as between the holders of Shares to be consolidated determine which particular Shares are to be consolidated into a consolidated Share, and if it shall happen that any

person shall become entitled to fractions of a consolidated Share or Shares, such fractions may be sold by some person appointed by the Board for that purpose and the person so appointed may transfer the Shares so sold to the purchaser thereof and the validity of such transfer shall not be questioned, and so that the net proceeds of such sale (after deduction of the expenses of such sale) may either be distributed among the persons who would otherwise be entitled to a fraction or fractions of a consolidated Share or Shares rateably in accordance with their rights and interest or may be paid to the Company for the Company's benefit;

- (c) divide its unissued Shares into several classes and attach thereto respectively any preferential, deferred, qualified or special rights, privileges or conditions;
 - (d) sub-divide its Shares or any of them into Shares of smaller amount than is fixed by the Memorandum of Association, subject nevertheless to the provisions of the Companies ~~Law~~Act, and so that the resolution whereby any Share is sub-divided may determine that, as between the holders of the Shares resulting from such sub-division, one or more of the Shares may have any such preferred or other special rights over, or may have such deferred rights or be subject to any such restrictions as compared with the others as the Company has power to attach to unissued or new Shares;
 - (e) cancel any Shares which at the date of the passing of the resolution have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the Shares so cancelled;
 - (f) make provision for the issue and allotment of Shares which do not carry any voting rights; and
 - (g) change the currency of denomination of its share capital.
- 14 The Company may by Special Resolution reduce its share capital or undistributable reserve in any manner authorised, and subject to any conditions prescribed, by law.
- 15 (a) Subject to the Companies ~~Law~~Act, or any other law or so far as not prohibited by any law and subject to any rights conferred on the holders of any class of Shares, the Company shall have the power to purchase or otherwise acquire all or any of its own Shares (which expression as used in this Article includes redeemable Shares) provided that the manner and terms of purchase have first been authorised by an Ordinary Resolution of the Shareholders, and to purchase or otherwise acquire warrants and other securities for the subscription or purchase of its own Shares, and shares and warrants

and other securities for the subscription or purchase of any shares in any company which is its Holding Company and may make payment therefor in any manner and terms authorised or not prohibited by law, including out of capital, or to give, directly or indirectly, by means of a loan, a guarantee, an indemnity, the provision of security or otherwise howsoever, financial assistance for the purpose of or in connection with a purchase or other acquisition made or to be made by any person of any Shares or warrants or other securities in the Company or any company which is a Holding Company of the Company and should the Company purchase or otherwise acquire its own Shares or warrants or other securities neither the Company nor the Board shall be required to select the Shares or warrants or other securities to be purchased or otherwise acquired rateably or in any other manner and terms as between the holders of Shares or warrants or other securities of the same class or as between them and the holders of Shares or warrants or other securities of any other class or in accordance with the rights as to Dividends or capital conferred by any class of Shares provided always that any such purchase or other acquisition or financial assistance shall only be made in accordance with the relevant code, rules or regulations issued from time to time by the HK Stock Exchange and/or the Securities and Futures Commission of Hong Kong from time to time in force.

- (b) Subject to the provisions of the Companies ~~Law~~Act and the Memorandum of Association of the Company, and to any special rights conferred on the holders of any Shares or attaching to any class of Shares, Shares may be issued on the terms that they may, at the option of the Company or the holders thereof, be liable to be redeemed on such terms and in such manner, including out of capital, as the Board may deem fit.
- (c) Where the Company purchases for redemption a redeemable Share, purchases not made through the market or by tender shall be limited to a maximum price, and if purchases are by tender, tenders shall be available to all Shareholders alike.
- (d) The purchase or redemption of any Share shall not be deemed to give rise to the purchase or redemption of any other Share.
- (e) The holder of the Shares being purchased or redeemed shall be bound to deliver up to the Company at the Head Office or such other place as the Board shall specify the certificate(s) thereof for cancellation and thereupon the Company shall pay to him the purchase or redemption monies in respect thereof.

REGISTER OF SHAREHOLDERS AND SHARE CERTIFICATES

- 16 Except as otherwise expressly provided by these Articles or as required by law or as ordered by a court of competent jurisdiction, no person shall be recognised by the Company as holding any Share upon any trust and, except as aforesaid, the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Share or any interest in any fractional part of a Share or any other right or claim to or in respect of any Shares except an absolute right to the entirety thereof of the registered holder.
- 17 (a) The Board shall cause to be kept the Register and there shall be entered therein the particulars required under the Companies ~~Law~~Act.
- (b) Subject to the provisions of the Companies ~~Law~~Act, if the Board considers it necessary or appropriate, the Company may establish and maintain a principal or branch register of Shareholders at such location as the Board thinks fit and, during the Relevant Period, the Company shall keep its principal or a branch register of Shareholders in Hong Kong.
- (c) During the Relevant Period (except when the Register is closed), any Shareholder may inspect during business hours any Register maintained in Hong Kong without charge and require the provision to him of copies or extracts thereof in all respects as if the Company were incorporated under and were subject to the Companies Ordinance.
- (d) The Register may, on the Company giving notice in accordance with the Listing Rules, be closed at such time or for such period not exceeding in the whole 30 days in each year (or such longer period in any year as the Shareholders may by Ordinary Resolution determine in that year, provided that such period shall not be extended beyond 60 days in any year) as the Board may determine. Any person who seeks to inspect the Register when it is closed may request the Company to issue a certificate signed by the Secretary stating the period for which, and by whose authority, it is closed.
- 18 (a) Every person whose name is entered as a Shareholder in the Register shall be entitled to receive within the relevant time limit as prescribed in the Companies ~~Law~~Act or as the HK Stock Exchange may from time to time determine, whichever is shorter, after allotment or lodgement of a transfer (or within such other period as the conditions of issue shall provide or is required by the applicable rules of the stock exchange of the Relevant Territory) one certificate for all his Shares, or, if he shall so request, in a case where the allotment or transfer is of a number of Shares in excess of the number for the time being forming a stock exchange board lot for the purposes of the stock exchange of

the Relevant Territory on which the Shares are listed upon payment of such sum (in the case of a transfer, not exceeding in the case of any share capital listed on a stock exchange in Hong Kong, HK\$2.50 or such other sum as may from time to time be allowed or not prohibited under the Listing Rules, and in the case of any other Shares, such sum in such currency as the Board may from time to time determine to be reasonable in the territory in which the relevant Register is situated, or otherwise such other sum as the Company may by Ordinary Resolution determine) for every certificate after the first as the Board may from time to time determine, such number of certificates for Shares in stock exchange board lots or whole multiples thereof as he shall request and one for the balance (if any) of the Shares in question, provided that in respect of a Share or Shares held jointly by several persons the Company shall not be bound to issue a certificate or certificates to each such person, and the issue and delivery of a certificate or certificates to one of the joint holders shall be sufficient delivery to all such holders.

- (b) The Company may, in the event of a change in the form of definitive Share certificate adopted by the Board, issue new definitive certificates to all holders of Shares appearing on the Register in replacement of old definitive certificates issued to such holders. The Board may resolve whether or not to require the return of the old certificates as a condition precedent to the issue of replacement certificates and, as regards any old certificates which have been lost or defaced, to impose such conditions (including as to indemnity) as the Board shall see fit. If the Board elects not to require the return of the old certificates, the same shall be deemed to have been cancelled and of no further effect for all purposes.

- 19 Every certificate for Shares, warrants or debentures or representing any other form of securities of the Company shall be issued under the Seal of the Company, which for this purpose may be a duplicate Seal.
- 20 Every share certificate hereafter issued shall specify the number and class of Shares in respect of which it is issued and the amount paid thereon and may otherwise be in such form as the Board may from time to time prescribe. A share certificate shall relate to only one class of Shares, and where the capital of the Company includes Shares with different voting rights, the designation of each class of Shares, other than those which carry the general right to vote at general meetings, must include the words “restricted voting” or “limited voting” or “non- voting” or some other appropriate designation which is commensurate with the rights attaching to the relevant class of Shares.

- 21 (a) The Company shall not be bound to register more than four persons as joint holders of any Share.
- (b) If any Shares shall stand in the names of two or more persons, the person first named in the Register shall be deemed to be sole holder thereof as regards service of notice and, subject to the provisions of these Articles, all or any other matter connected with the Company, except the transfer of the Share.
- 22 If a share certificate is defaced, lost or destroyed, it may be replaced on payment of such fee, if any, (not exceeding, in the case of any share capital listed on a stock exchange in Hong Kong, HK\$2.50 or such other sum as may from time to time be allowed or not prohibited under the Listing Rules, and, in the case of any other capital, such sum in such currency as the Board may from time to time determine to be reasonable in the territory in which the relevant Register is situated, or such other sum as the Company may by Ordinary Resolution determine) as the Board shall from time to time determine and on such terms and conditions, if any, as to publication of notices, evidence and indemnity as the Board thinks fit and in the case of wearing out or defacement, after delivery up of the old certificate. In the case of destruction or loss, the person to whom such replacement certificate is given shall also bear and pay to the Company all costs and out-of-pocket expenses incidental to the investigation by the Company of the evidence of such destruction or loss and of such indemnity.

LIEN

- 23 The Company shall have a first and paramount lien on every Share (not being a fully paid Share) for all moneys, whether presently payable or not, called or payable at a fixed time in respect of that Share; and the Company shall also have a first and paramount lien and charge on all Shares (other than fully paid-up Shares) standing registered in the name of a Shareholder, whether singly or jointly with any other person or persons, for all the debts and liabilities of such Shareholder or his estate to the Company and whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such Shareholder, and whether the period for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such Shareholder or his estate and any other person, whether a Shareholder of the Company or not. The Company's lien (if any) on a Share shall extend to all Dividends and bonuses declared in respect thereof. The Board may at any time either generally or in any particular case waive any lien that has arisen, or declare any Share to be exempt wholly or partially from the provisions of this Article.

- 24 The Company may sell, in such manner as the Board thinks fit, any Shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged, nor until the expiration of 14 days after a notice in writing, stating and demanding payment of the sum presently payable or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of intention to sell in default, shall have been given, in the manner in which notices may be sent to Shareholders of the Company as provided in these Articles, to the registered holder for the time being of the Shares, or the person entitled by reason of such holder's death, bankruptcy or winding-up to the Shares.
- 25 The net proceeds of such sale after the payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debt or liability or engagement in respect whereof the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the Shares prior to the sale) be paid to the person entitled to the Shares at the time of the sale. For the purpose of giving effect to any such sale, the Board may authorise some person to transfer the Shares sold to the purchaser thereof and may enter the purchaser's name in the Register as holder of the Shares, and the purchaser shall not be bound to see the application of the purchase money, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

- 26 The Board may from time to time make such calls as it thinks fit upon the Shareholders in respect of any moneys unpaid on the Shares held by them respectively (whether on account of the nominal value of the Shares or by way of premiums) and not by the conditions of allotment thereof made payable at a fixed time. A call may be made payable either in one sum or by instalments.
- 27 At least 14 days' notice of any call shall be given to the relevant Shareholders specifying the time and place of payment and to whom such call shall be paid.
- 28 A copy of the notice referred to in Article 27 shall be sent to relevant Shareholders in the manner in which notices may be sent to Shareholders by the Company as herein provided.

- 29 In addition to the giving of notice in accordance with Article 28, notice of the person appointed to receive payment of every call and of the times and places appointed for payment may be given to the relevant Shareholders by notice to be inserted at least once in the Newspapers.
- 30 Every Shareholder upon whom a call is made shall pay the amount of every call so made on him to the person and at the time or times and place or places as the Board shall appoint.
- 31 A call shall be deemed to have been made at the time when the resolution of the Board authorising such call was passed.
- 32 The joint holders of a Share shall be severally as well as jointly liable for the payment of all calls and instalments due in respect of such Share or other moneys due in respect thereof.
- 33 The Board from time to time at its discretion may extend the time fixed for any call, and may extend such time as regards all or any of the Shareholders, whom due to residence outside the Relevant Territory or other cause the Board may deem entitled to any such extension but no Shareholder shall be entitled to any such extension except as a matter of grace and favour.
- 34 If the sum payable in respect of any call or instalment is not paid before or on the day appointed for payment thereof, the person or persons from whom the sum is due shall pay interest on the same at such rate not exceeding 20% per annum as the Board shall fix from the day appointed for the payment thereof to the time of the actual payment, but the Board may waive payment of such interest wholly or in part.
- 35 No Shareholder shall be entitled to receive any Dividend or bonus or to be present or vote (save as proxy or authorised representative for another Shareholder) at any general meeting, either personally, or (save as proxy or authorised representative for another Shareholder) by proxy, or be reckoned in a quorum, or to exercise any other privilege as a Shareholder until all calls or instalments due from him to the Company, whether alone or jointly or jointly and severally with any other person, together with interest and expenses (if any) shall have been paid.
- 36 On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Shareholder sued is entered in the Register as the holder, or one of the holders, of the Shares in respect of which such debt accrues; that the resolution of the Board making the call has been duly recorded in the minute book of the Board; and that notice of such call was given to the Shareholder sued, in

pursuance of these Articles, and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

- 37 (a) Any sum which by the terms of allotment of a Share is made payable upon allotment or at any fixed date, whether on account of the nominal value of the Share and/or by way of premium, shall for all purposes of these Articles be deemed to be a call duly made and notified and payable on the date fixed for payment, and in case of non-payment all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture and the like, shall apply as if such sums had become payable by virtue of a call duly made and notified.
- (b) The Board may on the issue of Shares differentiate between the allottees or holders as to the amount of calls to be paid and the time of payment.
- 38 The Board may, if it thinks fit, receive from any Shareholder willing to advance the same, and either in money or money's worth, all or any part of the money uncalled and unpaid or instalments payable upon any Shares held by him, and in respect of all or any of the moneys so advanced may pay interest at such rate (if any) not exceeding 20% per annum, as the Board may decide but a payment in advance of a call shall not entitle the Shareholder to receive any Dividend subsequently declared or to exercise any other rights or privileges as a Shareholder in respect of the Share or the due portion of the Shares upon which payment has been advanced by such Shareholder before it is called up. The Board may at any time repay the amount so advanced upon giving to such Shareholder not less than one Month's notice in writing of its intention on that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the Shares in respect of which it was advanced.

TRANSFER OF SHARES

- 39 Subject to the Companies ~~Law~~Act, all transfers of Shares shall be effected by transfer in writing in the usual or common form or in such other form as the Board may accept provided always that it shall be in such a form prescribed by the HK Stock Exchange and may be under hand only or, if the transferor or transferee is a Clearing House (or its nominee(s)), under hand or by machine imprinted signature or by such other means of execution as the Board may approve from time to time.

- 40 The instrument of transfer of any Share shall be executed by or on behalf of the transferor and by or on behalf of the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferor or the transferee or accept mechanically executed transfers in any case in which it in its absolute discretion thinks fit to do so. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any Share by the allottee in favour of some other person.
- 41 (a) The Board may, in its absolute discretion at any time and from time to time, remove any Share on the principal Register to any branch Register or any Share on any branch Register to the principal Register or any other branch Register.
- (b) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time stipulate, and which agreement it shall, without giving any reason therefore, be entitled in its absolute discretion to give or withhold) no Shares on the principal Register shall be removed to any branch Register nor shall Shares on any branch Register be removed to the principal Register or any other branch Register and all removals and other documents of title relating to or affecting the title to any share or other securities of the Company shall be lodged for registration, and be registered, in the case of any Shares on a branch Register, at the relevant Registration Office, and, in the case of any Shares on the principal Register, at the Transfer Office.
- (c) Notwithstanding anything contained in these Articles, the Company shall as soon as practicable and on a regular basis record in the principal Register all removals of Shares effected on any branch Register and shall at all times maintain the principal Register and all branch Registers in all respects in accordance with the Companies ~~Law~~Act.
- 42 Fully paid Shares shall be free from any restriction with respect to the right of the holder thereof to transfer such Shares (except when permitted by the HK Stock Exchange) and shall also be free from all liens. The Board however, may, in its absolute discretion, refuse to register a transfer of any Share which is not fully paid to a person of whom it does not approve or any Share issued under any share option scheme upon which a restriction on transfer imposed thereby still subsists, and it may also refuse to register a transfer of any Share (whether fully paid up or not) to more than four joint holders or a transfer of any Shares (not being a fully paid up Share) on which the Company has a lien.

- 43 The Board may also decline to recognise any instrument of transfer unless:
- (a) a fee of such maximum as the HK Stock Exchange may from time to time determine to be payable (or such lesser sum as the Board may from time to time require) has been paid to the Company;
 - (b) the instrument of transfer is lodged at the relevant Registration Office or, as the case may be, the Transfer Office accompanied by the certificate of the Shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do);
 - (c) the instrument of transfer is in respect of only one class of Share;
 - (d) the Shares concerned are free of any lien in favour of the Company; and
 - (e) if applicable, the instrument of transfer is properly stamped.
- 44 The Board may refuse to register a transfer of any Share to an infant or to a person of unsound mind or under other legal disability.
- 45 If the Board shall refuse to register a transfer of any Share, it shall, within two months after the date on which the transfer was lodged with the Company, send to each of the transferor and the transferee notice of such refusal and, except where the subject Share is not a fully paid Share, the reason(s) for such refusal.
- 46 Upon every transfer of Shares, the certificate in respect thereof held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall be issued to the transferee in respect of the Shares transferred to him as provided in Article 18, and if any of the Shares included in the certificate so given up shall be retained by the transferor a new certificate in respect thereof shall be issued to him as provided in Article 18. The Company shall retain the instrument of transfer.
- 47 The registration of transfers may be suspended when the Register is closed in accordance with Article 17(d).

TRANSMISSION OF SHARES

- 48 In the case of the death of a Shareholder, the survivor or survivors where the deceased was a joint holder, and the legal personal representatives of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having any title to his interest in the Shares; but nothing herein contained shall release the estate of a deceased holder (whether sole or joint) from any liability in respect of any Share solely or jointly held by him.
- 49 Any person becoming entitled to a Share in consequence of the death or bankruptcy or winding-up of a Shareholder may, upon such evidence as to his title being produced as may from time to time be required by the Board, and subject as hereinafter provided, elect either to be registered himself as holder of the Share or to have some person nominated by him registered as the transferee thereof.
- 50 If the person becoming entitled to a Share pursuant to Article 49 shall elect to be registered himself as the holder of such Share, he shall deliver or send to the Company a notice in writing signed by him, at (unless the Board otherwise agrees) the Registration Office, stating that he so elects. If he shall elect to have his nominee registered, he shall testify his election by executing a transfer of such Share to his nominee. All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of Shares shall be applicable to any such notice or transfer as aforesaid as if the death, bankruptcy or winding-up of the Shareholder had not occurred and the notice or transfer were a transfer executed by such Shareholder.
- 51 A person becoming entitled to a Share by reason of the death, bankruptcy or winding-up of the holder shall be entitled to the same Dividends and other advantages to which he would be entitled if he were the registered holder of the Share. However, the Board may, if it thinks fit, withhold the payment of any Dividend payable or other advantages in respect of such Share until such person shall become the registered holder of the Share or shall have effectually transferred such Share, but, subject to the requirements of Article 80 being met, such a person may vote at general meetings of the Company.

FORFEITURE OF SHARES

- 52 If a Shareholder fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid, without prejudice to the provisions of Article 34, serve notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued and which may still accrue up to the date of actual payment.
- 53 The notice shall name a further day (not earlier than the expiration of 14 days from the date of the notice) on or before which the payment required by the notice is to be made, and it shall also name the place where payment is to be made such place being the Registered Office or a Registration Office or another place within the Relevant Territory. The notice shall also state that, in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited.
- 54 If the requirements of any such notice as aforesaid are not complied with, any Share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all Dividends and bonuses declared in respect of the forfeited Share and not actually paid before the forfeiture. The Board may accept the surrender of any Share liable to be forfeited hereunder and in such cases references in these Articles to forfeiture shall include surrender.
- 55 Any Share so forfeited shall be deemed to be the property of the Company, and may be re-allotted, sold or otherwise disposed of on such terms and in such manner as the Board thinks fit and at any time before a sale or disposition, the forfeiture may be cancelled on such terms as the Board thinks fit.
- 56 A person whose Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Shares, but shall, nevertheless, remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the forfeited Shares, together with (if the Board shall in its discretion so require) interest thereon from the date of forfeiture until the date of actual payment (including the payment of such interest) at such rate not exceeding 20% per annum as the Board may prescribe, and the Board may enforce the payment thereof if it thinks fit, and without any deduction or allowance for the value of the Shares at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the Shares. For the purposes of this Article any sum which by the terms of issue of a Share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on

account of the nominal value of the Share or by way of premium, shall notwithstanding that such time has not yet arrived be deemed to be payable on the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

- 57 A certificate in writing that the declarant is a Director or the Secretary, and that a Share has been duly forfeited or surrendered on a date stated in the certificate, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the Share. The Company may receive the consideration, if any, given for the Share on any re-allotment, sale or disposition thereof and may execute a transfer of the Share in favour of the person to whom the Share is re-allotted, sold or disposed of and such person shall thereupon be registered as the holder of the Share, and shall not be bound to see to the application of the subscription or purchase money, (if any), nor shall his title to the Share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, re-allotment, sale or disposal of such Share.
- 58 When any Share shall have been forfeited, notice of the forfeiture shall be given to the Shareholder in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the Register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.
- 59 Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any Shares so forfeited shall have been re-allotted, sold or otherwise disposed of, cancel the forfeiture on such terms as it thinks fit or permit the Shares so forfeited to be bought back or redeemed upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the Shares, and upon such further terms (if any) as it thinks fit.
- 60 The forfeiture of a Share shall not prejudice the right of the Company to any call already made or any instalment payment thereon.
- 61 (a) The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by terms of issue of a Share, becomes payable at a fixed time, whether on account of the nominal value of the Share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

- (b) In the event of a forfeiture of Shares the Shareholder shall be bound to deliver and shall forthwith deliver to the Company the certificate or certificates held by him for the Shares so forfeited and in any event the certificates representing Shares so forfeited shall be void and of no further effect.

 - (b) in the case of any other meeting, by a majority in number of the Shareholders having a right to attend and vote at the meeting, being a majority together holding not less than 95% of the total voting rights at the meeting of all members of the Company.
- 66 (a) The accidental omission to give any notice to, or the non-receipt of any notice by, any person entitled to receive notice shall not invalidate any resolution passed or any proceedings at any such meeting.

PROCEEDINGS AT GENERAL MEETINGS

- 67 ~~(a)~~(a) All business shall be deemed special that is transacted at an extraordinary general meeting and also all business shall be deemed special that is transacted at an annual general meeting with the exception of the following, which shall be deemed ordinary business:

 - (vii) the granting of any mandate or authority to the Board to repurchase securities of the Company.

- 68 For all purposes the quorum for a general meeting shall be two Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and entitled to vote. No business shall be transacted at any general meeting unless the requisite quorum shall be present at the time when the meeting proceeds to business and continues to be present until the conclusion of the meeting.
- 68A (1) The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of Electronic Facilities at such location or locations (“Meeting Location(s)”) determined by the Board at its absolute discretion. Any Shareholder or any proxy attending and participating in such way or any Shareholder or proxy attending and participating in a Hybrid Meeting or Virtual Meeting by means of Electronic Facilities is deemed to be present at and shall be counted in the quorum of the meeting.
- (2) All general meetings are subject to the followings and, where appropriate, all references to a “Shareholder” or “Shareholders” in this sub-paragraph (2) shall include a proxy or proxies respectively:
- (a) where a Shareholder is attending at a Meeting Location and/or in the case of a Hybrid Meeting, the meeting shall be treated as having commenced if it has commenced at the Principal Meeting Place;
- (b) Shareholders present in person or by proxy at a Meeting Location and/or Shareholders attending and participating in a Hybrid Meeting or Virtual Meeting by means of Electronic Facilities shall be counted in the quorum for and entitled to vote at the meeting in question, and that meeting shall be duly constituted and its proceedings valid provided that the chairman of the meeting is satisfied that adequate Electronic Facilities are available throughout the meeting to ensure that Shareholders at all Meeting Locations and Shareholders participating in a Hybrid Meeting or Virtual Meeting by means of Electronic Facilities are able to participate in the business for which the meeting has been convened;
- (c) where Shareholders attend a meeting by being present at one of the Meeting Locations and/or where Shareholders participating in a Hybrid Meeting or Virtual Meeting by means of Electronic Facilities, a failure (for any reason) of the Electronic Facilities or Electronic Communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of a Hybrid Meeting or Virtual Meeting, the inability

of one or more Shareholders or proxies to access, or continue to access the Electronic Facilities shall not affect the validity of the meeting or the resolutions passed, or any business conducted there or any action taken pursuant to such business provided that there is a quorum present throughout the meeting; and

- (d) if any of the Meeting Locations is outside the jurisdiction of the Principal Meeting Place and/or in the case of a Hybrid Meeting, the provisions of these Articles concerning the service and giving of notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of a Virtual Meeting, the time for lodging proxies shall be as stated in the notice of the meeting.
- (3) The Board and, at any general meeting, the chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participation in a Hybrid Meeting or Virtual Meeting by Electronic Means (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a Shareholder who, pursuant to such arrangements, is entitled to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations (if provided); and the entitlement of any Shareholder so to attend the meeting or adjourned meeting or postponed meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting;
- (4) If it appears to the chairman of the general meeting that:
- (a) the Electronic Facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 68A(1) or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the notice of the meeting; or
- (b) in the case of a Hybrid Meeting or Virtual Meeting, Electronic Facilities being made available by the Company are or have become inadequate; or

(c) it is not possible to ascertain the views of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or

(d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting;

then, without prejudice to any other power which the chairman of the meeting may have under these Articles or at common law, the chairman may, at his absolute discretion, without the consent of those present at the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including adjournment for indefinite period). All businesses conducted at the meeting up to the time of such adjournment shall be valid.

(5) The Board and, at any general meeting, the chairman of the meeting may make any arrangement and impose any requirement or restriction as the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Shareholders shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

(6) If, after the sending of notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Board, in its absolute discretion, considers that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of Electronic Facilities specified in the notice calling the meeting, it may (a) change or postpone the meeting to another date, time and/or place and/or (b) change the Electronic Facilities and/or form of the meeting (including, without limitation, a Physical Meeting or a Hybrid Meeting or a Virtual Meeting), without approval of the Shareholders. Without prejudice to the generality of the foregoing, the Board shall have the power to provide in every notice calling a general meeting the circumstances in which such a

postponement or change of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, “extreme conditions” caused by a super typhoon or black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a notice of such postponement on the Company’s website or the website of the HK Stock Exchange as soon as reasonably practicable (provided that failure to post such a notice shall not affect the automatic postponement of such meeting);
 - (b) when only the form of the meeting or Electronic Facilities specified in the notice are changed, the Board shall notify the Shareholders of details of such change in such manner as the Board may determine;
 - (c) when a meeting is postponed or changed in accordance with this Article, subject to and without prejudice to Article 71, unless already specified in the original notice of the meeting or included in the notice posted on the Company’s website or the website of the HK Stock Exchange, the Board shall fix the date, time, place (if applicable) and Electronic Facilities (if applicable) for the postponed or changed meeting, and shall notify the Shareholders of such details in such manner as the Directors may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than 48 hours before the time of the postponed meeting; and
 - (d) notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original notice of general meeting circulated to the Shareholders.
- (7) All persons seeking to attend and participate in a Hybrid Meeting or Virtual Meeting shall be responsible for maintaining adequate facilities to enable themselves to do so. Subject to Article 68A(4), any inability of a person or persons to attend or participate in a general meeting by way of Electronic Facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

- 69 If within 15 minutes from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and (where applicable) same place(s) or to and at such time and (where applicable) place(s) and in such form and manner referred to in Article 62 as the chairman of the meeting (or in default, the Board) may absolutely determine~~and at such time and place as shall be decided by the Board~~, and if at such adjourned meeting a quorum is not present within 15 minutes from the time appointed for holding the meeting, the Shareholder or the Shareholders present in person (or, in the case of a Shareholder being a corporation by its duly authorised representative) or by proxy and entitled to vote shall be a quorum and may transact the business for which the meeting was called.
- 70 (1) The chairman (if any) of the Company or if he is absent or declines to take the chair at such meeting, the Vice chairman (if any) of the Company shall take the chair at every general meeting, or, if there be no such chairman or Vice chairman, or, if at any general meeting neither of such chairman or Vice chairman is present within 15 minutes after the time appointed for holding such meeting, or both such persons decline to take the chair at such meeting, the Directors present shall choose one of their number as chairman of the meeting, and if no Director be present or if all the Directors present decline to take the chair or if the chairman chosen shall retire from the chair, then the Shareholders present shall choose one of their number to be chairman of the meeting.
- (2) If the chairman of a general meeting is participating in the general meeting using Electronic Facilities and becomes unable to participate in the general meeting using such Electronic Facilities, another person (determined in accordance with Article 70(1) above) shall preside as chairman of the meeting unless and until the original chairman of the meeting is able to participate in the general meeting using the Electronic Facilities.
- 71 Subject to Article 68A(4), tThe chairman of the meeting may, with the consent of any general meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn any meeting from time to time (or indefinitely) and/or from place to place(s) and from one form to another (e.g. a Physical Meeting to/from a Hybrid Meeting to/from a Virtual Meeting) as the meeting shall determine. Whenever a meeting is adjourned for 14 days or more, at least seven clear days' notice, specifying the details set out in Article 65 ~~the place, the day and the hour of the adjourned meeting~~ shall be given in the same manner as in the case of an original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, no notice of an adjournment or of the business to be transacted at any adjourned meeting needs to be given nor shall any

Shareholder be entitled to any such notice. No business shall be transacted at an adjourned meeting other than the business which might have been transacted at the meeting from which the adjournment took place.

- 72 At any general meeting a resolution put to the vote of the meeting shall be decided by poll save that the chairman of the meeting may, pursuant to the Listing Rules, allow a resolution to be voted by a show of hands. Where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded by:
- (a) at least two Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy for the time being entitled to vote at the meeting; or
 - (b) any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and representing not less than one-tenth of the total voting rights, on a one vote per share basis, of all the Shareholders having the right to vote at the meeting; or
 - (c) any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and holding Shares conferring a right to vote at the meeting being Shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the Shares conferring that right.
- 73 Where a resolution is voted on by a show of hands, a declaration by the chairman of the meeting that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 74 A poll shall be taken in such manner (including the use of ballot or voting papers or tickets or through Electronic Facilities) and at such time and place as the chairman of the meeting directs. No notice need be given of a poll not taken immediately. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was required or demanded. In the event that a poll is demanded after the chairman of the meeting allows a show of hands pursuant to Article 72, the demand for a poll may be withdrawn, with the consent of the chairman of the meeting, at any time before the close of the meeting at which the poll was demanded or the taking of the poll, whichever is the earlier.

- 75 Any poll on the election of a chairman of a meeting or on any question of adjournment or postponement shall be taken at the meeting and without adjournment or postponement.
- 76 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting shall be entitled to a second or casting vote. In case of any dispute as to the admission or rejection of any vote, the chairman of the meeting shall determine the same, and such determination shall be final and conclusive.
- 77 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.
- 78 If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chairman of the meeting, the proceedings shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special Resolution no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTES OF SHAREHOLDERS

- 79 (1) Subject to any special rights, privileges or restrictions as to voting for the time being attached to any class or classes of Shares, at any general meeting on a poll every Shareholder present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy, shall have one vote for every Share of which he is the holder which is fully paid or credited as fully paid (but so that no amount paid or credited as paid on a Share in advance of calls or instalments shall be treated for the purposes of this Article as paid on the Share), and on a show of hands every Shareholder who is present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy shall (save as provided otherwise in this Article) have one (1) vote. On a poll a Shareholder entitled to more than one vote need not use all his votes or cast all his votes in the same way. Notwithstanding anything contained in these Articles, where more than one proxy is appointed by a Shareholder which is a Clearing House (or its nominee(s)), each such proxy shall have one vote on a show of hands and on a poll, each such proxy is under no obligation to cast all his votes in the same way. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the Chairman of the meeting may determine.

(2) Shareholders present in person (or being a corporation, present by a duly authorized representative), or by proxy(ies) shall have the right to (a) speak at a general meeting; and (b) vote at a general meeting except where a Shareholder is required, by the Listing Rules, to abstain from voting to approve the matter under consideration.

79A Where the Company has knowledge that any Shareholder is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such Shareholder in contravention of such requirement or restriction shall not be counted.

80 Any person entitled under Article 51 to be registered as the holder of any Shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such Shares, provided that at least 48 hours before the time of the holding of the meeting or adjourned meeting or postponed meeting (as the case may be) at which he proposes to vote, he shall satisfy the Board of his right to be registered as the holder of such Shares or the Board shall have previously admitted his right to vote at such meeting in respect thereof.

81 Where there are joint registered holders of any Share, any one of such persons may vote at any meeting, either personally or by proxy, in respect of such Share as if he were solely entitled thereto; but if more than one of such joint holders be present at any meeting personally or by proxy, that one of the said persons so present whose name stands first on the Register in respect of such Share shall alone be entitled to vote in respect thereof. Several executors or administrators of a deceased Shareholder, and several trustees in bankruptcy or liquidators of a Shareholder in whose name any Share stands shall for the purposes of this Article be deemed joint holders thereof.

82 A Shareholder of unsound mind or in respect of whom an order has been made by any court having jurisdiction in lunacy may vote, whether on a poll or on a show of hands, by his committee or receiver, or other person in the nature of a committee or receiver appointed by that court, and any such committee, receiver or other person may vote on a poll by proxy. Evidence to the satisfaction of the Board of the authority of the person claiming to exercise the right to vote shall be delivered to such place or one of such places (if any) as is specified in accordance with these Articles for the deposit of instruments of proxy or, if no place is specified, at the Registration Office, not later than the latest time at which an instrument of proxy must, if it is to be valid for the meeting, be delivered.

- 83 Save as expressly provided in these Articles or otherwise determined by the Board, no person other than a Shareholder duly registered and who shall have paid everything for the time being due from him payable to the Company in respect of his Shares shall be entitled to be present or to vote (save as proxy or authorised representative for another Shareholder) whether personally, by proxy or by attorney or to be reckoned in the quorum, at any general meeting.
- 84 No objection shall be raised to the qualification of any person exercising or purporting to exercise a vote or the admissibility of any vote except at the meeting or adjourned meeting or postponed meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.

APPOINTMENT OF PROXY AND CORPORATE REPRESENTATIVE

- 85 Any Shareholder entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Shareholder who is the holder of two or more Shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Shareholder of the Company. Every Shareholder being a corporation shall be entitled to appoint a representative to attend and vote at any general meeting of the Company and, where a corporation is so represented, it shall be treated as being present at any meeting in person. A corporation may execute a form of proxy under the hand of a duly authorised officer. On a poll or a show of hands votes may be given either personally (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy. A proxy shall be entitled to exercise the same powers on behalf of a Shareholder who is an individual and for whom he acts as proxy as such Shareholder could exercise. In addition, a proxy shall be entitled to exercise the same powers on behalf of a Shareholder which is a corporation and for which he acts as proxy as such Shareholder could exercise if it were an individual Shareholder.
- 86 No appointment of a proxy shall be valid unless it names the person appointed and his appointor. The Board may, unless it is satisfied that the person purporting to act as proxy is the person named in the relevant instrument for his appointment and the validity and authenticity of the signature of his appointor, decline such person's admission to the relevant meeting, reject his vote or, in the event that a poll is demanded after the chairman of the meeting allows a show of hands pursuant to Article 72, his demand for a poll and no Shareholder who may be affected by any exercise by the Board of its power in this

connection shall have any claim against the Directors or any of them nor may any such exercise by the Board of its powers invalidate the proceedings of the meeting in respect of which they were exercised or any resolution passed or defeated at such meeting.

87 The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under seal or under the hand of an officer or attorney duly authorised.

88 The instrument appointing a proxy and, if requested by the Board, the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of that power or authority shall be deposited at such place or one of such places (if any) as is specified in the notice of meeting or in the instrument of proxy issued by the Company (or, if no place is specified, at the Registration Office), or if the Company has provided an electronic address in accordance with Article 88A, shall be received at the electronic address specified, not less than 48 hours before the time for holding the meeting or adjourned meeting or postponed meeting (as the case may be) at which the person named in such instrument proposes to vote, and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of 12 Months from the date of its execution, except at an adjourned meeting or postponed meeting where the meeting was originally held within 12 Months from such date. Delivery of an instrument appointing a proxy shall not preclude a Shareholder from attending and voting in person (or in the case of a Shareholder being a corporation, its duly authorised representative) at the meeting concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked.

88A The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by Electronic Means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such Electronic Communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the

Company under this Article is sent to the Company by Electronic Means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.

- 89 Every instrument of proxy, whether for a specified meeting or otherwise, shall be in such form as the Board may from time to time approve, provided that it shall not preclude the use of the two-way form. Any form issued to a Shareholder for use by him for appointing a proxy to attend and vote at an extraordinary general meeting or at an annual general meeting at which any business is to be transacted shall be such as to enable the Shareholder, according to his intentions, to instruct the proxy to vote in favour of or against (or, in default of instructions, to exercise his discretion in respect of) each resolution dealing with any such business.
- 90 The instrument appointing a proxy to vote at a general meeting shall: (i) be deemed to confer authority upon the proxy to demand or join in demanding a poll and to vote on any resolution (or amendment thereto) put to the meeting for which it is given as the proxy thinks fit; and (ii) unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.
- 91 A vote given in accordance with the terms of an instrument of proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or power of attorney or other authority under which the proxy was executed or the transfer of the Share in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer as aforesaid shall have been received by the Company at its Registration Office, or at such other place as is referred to in Article 88, at least two hours before the commencement of the meeting or adjourned meeting or postponed meeting at which the proxy is used.
- 92 (a) Any corporation which is a Shareholder may, by resolution of its directors or other governing body or by power of attorney, authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Shareholders of the Company, and the person so authorised shall be entitled to exercise the same rights and powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Shareholder of the Company. References in these Articles to a Shareholder present in person at a meeting shall, unless the context otherwise requires, include a corporation which is a Shareholder represented at the meeting by such duly authorised representative.

- (b) Where a Shareholder is a Clearing House (or its nominee(s)), it may (subject to Article 93) authorise such person or persons as it thinks fit to act as its representative or representatives or proxy or proxies at any meeting of the Company or at any meeting of any class of Shareholders (including but not limited to any general meeting and creditors meeting) provided that if more than one person is so authorised, the authorisation shall specify the number and class of Shares in respect of which each such representative is so authorised. A person so authorised pursuant to the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the Clearing House (or its nominee(s)) which he represents as that Clearing House (or its nominee(s)) could exercise as if such person were an individual Shareholder, including the right to speak and vote, and where a show of hands is allowed, the right to vote individually on a show of hands.

- (b) Every instrument to which a Seal shall be affixed shall be signed autographically by one Director and the Secretary, or by two Directors, or by any person or persons (including a Director and/or the Secretary) appointed by the Board for the purpose, provided that as regards any certificates for Shares or Debentures or other securities of the Company, the Board may by resolution determine that such signatures or either of them shall be dispensed with or affixed by some method or system of mechanical signature other than autographic or may be printed thereon as specified in such resolution or that such certificates need not be signed by any person.

- 148 All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments, and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Board shall from time to time by resolution determine. AUTHENTICATION OF DOCUMENTS

- 152 (a) Any Director or the Secretary or other authorised officer of the Company shall have power to authenticate any documents affecting the constitution of the Company and any resolutions passed by the Company or the Board or any committee, and any books, records, documents and accounts relating to the business of the Company, and to certify copies thereof or extracts therefrom as true copies of extracts; and where any books, records, documents or accounts are elsewhere than at the Registered Office or the Head Office, the local manager or such other officer of the Company having the custody thereof shall be deemed to be the authorised officer of the Company as aforesaid.
- (b) A document purporting to be a document so authenticated or a copy of a resolution, or an extract from the minutes of a meeting, of the Company or of the Board or any local board or committee, or of any books, records, documents or accounts or extracts therefrom as aforesaid, and which is certified as aforesaid, shall be conclusive evidence in favour of all persons dealing with the Company upon the faith thereof that the document authenticated (or, if this be authenticated as aforesaid, the matter so authenticated) is authentic or, as the case may be, that such resolution has been duly passed or, as the case may be, that any minute so extracted is a true and accurate record of proceedings at a duly constituted meeting or, as the case may be, that the copies of such books, records, documents or accounts were true copies of their originals or as the case may be, the extracts of such books, records, documents or accounts are true and accurate records of the books, records, documents or accounts from which they were extracted.

CAPITALISATION OF RESERVES

- 153 (a) The Company in general meeting may, upon the recommendation of the Board, resolve to capitalise any sum standing to the credit of any of the Company's reserve accounts which are available for distribution (including its share premium account and capital redemption reserve fund, subject to the Companies ~~Law~~Act) and to appropriate such sums to the holders of Shares on the Register at the close of business on the date of the relevant resolution (or such other date as may be specified therein or determined as provided therein) in the proportions in which such sum would have been divisible amongst them had the same been a distribution of profits by way of Dividend and to apply such sum on their behalf in paying up in full unissued Shares for allotment and distribution credited as fully paid-up to and amongst them in the proportion aforesaid.
- (b) Subject to the Companies ~~Law~~Act, whenever such a resolution as aforesaid shall have been passed, the Board shall make all appropriations and applications of the reserves or profits and undivided profits resolved to be capitalised thereby, and attend to all allotments and issues of fully paid Shares, debentures, or other securities and generally shall do all acts and things required to give effect thereto. For the purpose of giving effect to any resolution under this Article, the Board may settle any difficulty which may arise in regard to a capitalisation issue as it thinks fit, and in particular may disregard fractional entitlements or round the same up or down and may determine that cash payments shall be made to any Shareholders in lieu of fractional entitlements or that fractions of such value as the Board may determine may be disregarded in order to adjust the rights of all parties or that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the Shareholders concerned, and no Shareholders who are affected thereby shall be deemed to be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power. The Board may authorise any person to enter on behalf of all Shareholders interested in a capitalisation issue any agreement with the Company or other(s) providing for such capitalisation and matters in connection therewith and any agreement made under such authority shall be effective and binding upon all concerned. Without limiting the generality of the foregoing, any such agreement may provide for the acceptance by such persons of the Shares, debentures or other securities to be allotted and distributed to them respectively in satisfaction of their claims in respect of the sum so capitalised.

- (c) The provisions of paragraph (e) of Article 160 shall apply to the power of the Company to capitalise under this Article as it applies to the grant of election thereunder *mutatis mutandis* and no Shareholder who may be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power.

DIVIDENDS AND RESERVES

154 Subject to the Companies ~~Law~~Act and these Articles, the Company in general meeting may declare Dividends in any currency but no Dividends shall exceed the amount recommended by the Board.

155 (a) The Board may subject to Article 156 from time to time pay to the Shareholders such interim Dividends as appear to the Board to be justified by the financial conditions and the profits of the Company and, in particular but without prejudice to the generality of the foregoing, if at any time the share capital of the Company is divided into different classes, the Board may pay such interim Dividends in respect of those Shares in the capital of the Company which confer to the holders thereof deferred or non-preferential rights as well as in respect of those Shares which confer on the holders thereof preferential rights with regard to Dividend and provided that the Board acts bona fide it shall not incur any responsibility to the holders of Shares conferring any preference for any damage that they may suffer by reason of the payment of an interim Dividend on any Shares having deferred or non-preferential rights.

(b) The Board may also pay half-yearly or at other suitable intervals to be settled by it any Dividend which may be payable at a fixed rate if the Board is of the opinion that the financial conditions and the profits of the Company justify the payment.

(c) The Board may in addition from time to time declare and pay special Dividends of such amounts and on such dates and out of such distributable funds of the Company as it thinks fit, and the provisions of paragraph (a) of this Article as regards the power and exemption from liability of the Board as relate to the declaration and payment of interim Dividends shall apply, *mutatis mutandis*, to the declaration and payment of any such special Dividends.

156 (a) No Dividend shall be declared or paid or shall be made otherwise than in accordance with the Companies ~~Law~~Act.

- (b) Subject to the provisions of the Companies ~~Law~~Act but without prejudice to paragraph (a) of this Article, where any asset, business or property is bought by the Company as from a past date (whether such date be before or after the incorporation of the Company) the profits and losses thereof as from such date may at the discretion of the Board in whole or in part be carried to revenue account and treated for all purposes as profits or losses of the Company, and be available for Dividend accordingly. Subject as aforesaid, if any Shares or securities are purchased cum Dividend or interest, such Dividend or interest may at the discretion of the Board be treated as revenue, and it shall not be obligatory to capitalise the same or any part thereof or to apply the same towards reduction of or writing down the book cost of the asset, business or property acquired.
- (c) Subject to paragraph (d) of this Article all Dividends and other distributions in respect of Shares shall be stated and discharged, in the case of Shares denominated in Hong Kong dollars, in Hong Kong dollars, and in the case of Shares denominated in any other currency, in such other currency, provided that, in the case of Shares denominated in Hong Kong dollars, the Board may determine in the case of any distribution that Shareholders may elect to receive the same in any other currency selected by the Board, converted at such rate of exchange as the Board may determine.
- (d) If, in the opinion of the Board, any Dividend or other distribution in respect of Shares or any other payment to be made by the Company to any Shareholder is of such a small amount as to make payment to that Shareholder in the relevant currency impracticable or unduly expensive either for the Company or the Shareholder then such Dividend or other distribution or other payment may, at the absolute discretion of the Board, be, if this be practicable, converted at such rate of exchange as the Board may determine and paid or made in the currency of the country of the relevant Shareholder (as indicated by the address of such Shareholder on the Register).

157 Notice of the declaration of an interim Dividend shall be given in such manner as the Board shall determine.

158 No Dividend or other moneys payable on or in respect of a Share shall bear interest as against the Company.

159 Whenever the Board or the Company in general meeting has resolved that a Dividend be paid or declared, the Board may further resolve that such Dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of any other company, or in any one or more of

such ways, with or without offering any rights to Shareholders to elect to receive such Dividend in cash, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Shareholders upon the footing of the value so fixed in order to adjust the rights of all parties and may determine that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the Shareholders concerned, and may vest any such specific assets in trustees as may seem expedient to the Board and may authorise any person to sign any requisite instruments of transfer and other documents on behalf of all Shareholders interested in the Dividend and such instrument and document shall be effective. The Board may further authorise any person to enter into on behalf of all Shareholders having an interest in any agreement with the Company or other(s) providing for such Dividend and matters in connection therewith and any such agreement made under such authority shall be effective. The Board may resolve that no such assets shall be made available or made to Shareholders with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable or the legality or practicality of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned and in any such event the only entitlement of the Shareholders aforesaid shall be to receive cash payments as aforesaid. Shareholders affected as a result of exercise by the Board of its discretion under this Article shall not be, and shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

- 160 (a) Whenever the Board or the Company in general meeting has resolved that a Dividend be paid or declared on the share capital of the Company, the Board may further resolve, either:
- (i) that such Dividend be satisfied wholly or in part in the form of an allotment of Shares credited as fully paid on the basis that the Shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the Shareholders entitled thereto will be entitled to elect to receive such Dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (A) the basis of any such allotment shall be determined by the Board;

- (B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- (C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and
- (D) Dividend (or that part of the Dividend to be satisfied by the allotment of Shares as aforesaid) shall not be payable in cash in respect whereof the cash election has not been duly exercised ("the non-elected Shares") and in lieu and in satisfaction thereof Shares shall be allotted credited as fully paid to the holders of the non-elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, or share premium account (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the non-elected Shares on such basis;

or

- (ii) that Shareholders entitled to such Dividend will be entitled to elect to receive an allotment of Shares credited as fully paid in lieu of the whole or such part of the Dividend as the Board may think fit on the basis that the Shares so allotted shall be of the same class or classes as the class or classes of Shares already held by the allottee. In such case, the following provisions shall apply:
 - (A) the basis of any such allotment shall be determined by the Board;
 - (B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and

specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

- (C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and
 - (D) the Dividend (or that part of the Dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect whereof the Share election has been duly exercised (“the elected Shares”) and in lieu thereof Shares shall be allotted credited as fully paid to the holders of the elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company’s reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the elected Shares on such basis.
- (b) The Shares allotted pursuant to the provisions of paragraph (a) of this Article shall rank *pari passu* in all respects with the Shares then in issue and held by the allottee in respect of which they were allotted, save only as regards participation:
- (i) in the relevant Dividend (or the right to receive or to elect to receive an allotment of Shares in lieu thereof as aforesaid); or
 - (ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant Dividend unless, contemporaneously with the announcement by the Board of its proposal to apply the provisions of sub-paragraph (a)(i) or (a)(ii) of paragraph (a) of this Article in relation to the relevant Dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall have specified that the Shares to be allotted pursuant to the provisions of paragraph (a) of this Article shall rank for participation in such distribution, bonus or rights.

- (c) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (a) of this Article with full power to the Board to make such provisions as it thinks fit in the case of Shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Shareholders concerned), and no Shareholders who will be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power. The Board may authorise any person to enter into on behalf of all Shareholders interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (d) The Company may upon the recommendation of the Board by Ordinary Resolution resolve in respect of any one particular Dividend that notwithstanding the provisions of paragraph (a) of this Article a Dividend may be satisfied wholly in the form of an allotment of Shares credited as fully paid without offering any right to Shareholders to elect to receive such Dividend in cash in lieu of such allotment.

- (e) The Board may on any occasion determine that rights of election and the allotment of Shares under paragraph (a) of this Article shall not be made available or made to any Shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of Shares would or might be unlawful or impracticable or the legality or practicability of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no Shareholder who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.
- 161 The Board may, before recommending any Dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising Dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including in the repurchase by the Company of its own securities or the giving of any financial assistance for the acquisition of its own securities) as the Board may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve, carry forward any profits which it may think prudent not to distribute by way of Dividend.
- 162 Unless and to the extent that the rights attached to any Shares or the terms of issue thereof otherwise provide, all Dividends shall (as regards any Shares not fully paid throughout the period in respect of which the Dividend is paid) be apportioned and paid pro rata according to the amounts paid or credited as paid on the Shares during any portion or portions of the period in respect of which the Dividend is paid. For the purposes of this Article no amount paid on a Share in advance of calls pursuant to Article 38 shall be treated as paid on the Share.
- 163 (a) The Board may retain any Dividends or other moneys payable on or in respect of a Share upon which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.

- (b) The Board may deduct from any Dividend or other money payable to any Shareholder all sums of money (if any) presently payable by him to the Company on account of calls, instalments or otherwise.
- 164 Any general meeting sanctioning a Dividend may make a call on the Shareholders of such amount as the meeting fixes, but so that the call on each Shareholder shall not exceed the Dividend payable to him, and so that the call shall be made payable at the same time as the Dividend, and the Dividend may, if so arranged between the Company and the Shareholder, be set off against the call.
- 165 A transfer of Shares shall not, as against the Company but without prejudice to the rights of the transferor and transferee inter se, pass the right to any Dividend or bonus declared thereon before the registration of the transfer.
- 166 If two or more persons are registered as joint holders of any Share, any one of such persons may give effectual receipts for any Dividends and other moneys payable and bonuses, rights and other distributions in respect of such Shares.
- 167 Unless otherwise directed by the Board, any Dividend or other moneys payable or bonuses, rights or other distributions in respect of any Share may be paid or satisfied by cheque or warrant or certificate or other documents or evidence of title sent through the post to the registered address of the Shareholder entitled, or, in the case of joint holders, to the registered address of that one whose name stands first in the Register in respect of the joint holding or to such person and to such address as the holder or joint holders may in writing direct. Every cheque, warrant, certificate or other document or evidence of title so sent shall be made payable to the order of the person to whom it is sent or, in the case of certificates or other documents or evidence of title as aforesaid, in favour of the Shareholder(s) entitled thereto, and the payment on any such cheque or warrant by the banker upon whom it is drawn shall operate as a good discharge to the Company in respect of the Dividend and/or other moneys represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Every such cheque, warrant, certificate or other document or evidence of title as aforesaid shall be sent at the risk of the person entitled to the Dividend, money, bonus, rights and other distributions represented thereby.
- 168 All Dividends, bonuses or other distributions or the proceeds of the realisation of any of the foregoing unclaimed for one year after having been declared by the Company until claimed and, notwithstanding any entry in any books of the Company may be invested or otherwise made use of by the Board for the benefit of the Company or otherwise howsoever, and the

Company shall not be constituted a trustee in respect thereof. All Dividends, bonuses or other distributions or the proceeds of the realisation of any of the foregoing unclaimed for six years after having been declared may be forfeited by the Board and, upon such forfeiture, shall revert to the Company and, in the case where any of the same are securities of the Company, may be re-allotted or re-issued for such consideration as the Board thinks fit and the proceeds thereof shall accrue to the benefit of the Company absolutely.

RECORD DATE

169 Subject to the Listing Rules, any resolution declaring a Dividend or other distribution on Shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or made to the persons registered as the holder of such Shares at the close of business on a particular date or at a particular time on a particular date, and thereupon the Dividend or other distribution shall be payable or made to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such Dividend or other distribution between the transferors and transferees of any such Shares. The provisions of this Article shall *mutatis mutandis* apply to determining the Shareholders entitled to receive notice and vote at any general meeting of the Company, bonuses, capitalisation issues, distributions of realised and unrealised capital profits or other distributable reserves or accounts of the Company and offers or grants made by the Company to the Shareholders.

170 The Company in general meeting may at any time and from time to time resolve that any surplus moneys in the hands of the Company representing capital profits arising from moneys received or recovered in respect of or arising from the realisation of any capital assets of the Company or any investments representing the same and not required for the payment or provision of any fixed preferential Dividend instead of being applied in the purchase of any other capital assets or for other capital purposes be distributed amongst its Shareholders on the footing that they receive the same as capital and in the Shares and proportions in which they would have been entitled to receive the same if it had been distributed by way of Dividend, provided that no such surplus moneys as aforesaid shall be so distributed unless the Company will remain solvent after the distribution, or the net realisable value of the assets of the Company will after the distribution be greater than the aggregate of its liabilities, share capital and share premium account.

SUBSCRIPTION RIGHT RESERVE

195 The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Companies ~~Law~~Act:

 - (i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Right Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional Shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full the amount of the shortfall referred to in sub- paragraph (iii) in respect of such additional Shares as and when the same are allotted;

- (ii) the Subscription Right Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than the share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
- (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of Shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of Shares as is equal to the shortfall between:
 - (A) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (B) the nominal amount of Shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for Shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of Shares shall be capitalised and applied in paying up in full such additional nominal amount of Shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and
- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of Shares equal to such shortfall as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted or not prohibited by law, the share premium account) for such purpose until such additional nominal amount of Shares is paid up and allotted as aforesaid and until then no Dividend or other distribution shall be paid or made on the fully paid Shares then in issue. Pending such payment up and allotment, the

exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of Shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one Share in the like manner as the Shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

- (b) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other Shares allotted or which ought to be allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (a) of this Article, no fraction of any Share shall be allotted on exercise of the subscription rights.
- (c) The provisions of this Article as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a Special Resolution of such warrant holder(s) or class of warrant holders.
- (d) A certificate or report by the Auditors as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purpose for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of Shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and Shareholders.
